SERVICE OF HOPE 2017

Featuring *Access HAPI* Art Exhibit

**October 15, 2017
2:00 PM**

Second Presbyterian Church
3511 Belmont Boulevard
Nashville, TN 37215

Let's come together at the Service of Hope to support individuals in our community who are in mental health and addiction recovery. These individuals and their families will share personal stories, original poetry, and original artwork. The service will also feature live music from special guests.

After the Service, attendees are invited to a reception where a special art exhibition, *Access HAPI*, will be on display for the very first time! It will feature fifty artworks created by participants at each of the fourteen Middle Tennessee peer centers that partner with HAPI. The *Access HAPI* exhibit is presented in support of the 50th Anniversary of the Tennessee Arts Commission, one of HAPI's generous supporters. Accessible parking will be available for the event.
